Build a Lego Robot

Belong, Believe, Become

On Tuesday Years 3 to 6 will take part in building a lego robot that moves. We were hoping that we would be able to invite parents in at the end of the day to see what the children had made but unfortunately the lego session is now only a morning session. We will put some pictures on our website for you to view.

Diwali Festival

On Wednesday 18th October we will be having an RE Day on the Diwali. We would like you to do some research into Diwali. What is it? What are they celebrating? How do they celebrate? If you could bring something from home into school on Wednesday that relates to Diwali that would be great.

Emergency Contacts/Information

It is vital that the records we keep for your children are accurate. We have sent home the current records we hold on our system. Please can you check the information we hold and make any necessary amendments, sign and return to school.

Parking

It has been brought to our attention again that people are parking on the solid white line outside school. This makes it very difficult for children to cross safely. Please refrain from parking there.

Harvest Festival

We are looking forward to seeing you all on Monday at the Harvest Festival. The children have been practicing and are looking forward to performing for you in church.

Coats

Now the weather is turning please can you remember to send your child with a coat.

East Barnby

We are planning to take the Year 5 and 6's to East Barnby on Wednesday 21st March 2018 for two nights. More information to follow.

Achievement Award Assembly

We will be holding an Achievement Award Assembly at school on Friday 20th October at 3pm. All are welcome. If your child has a trophy at home please can you return them on Monday morning. Thank you.
