Stars of the week

Maddie was awarded star of the week for her listening skills, amazing number work and understanding how to use a number line. Well Done Maddie!

Nathan was awarded star of the week for his fantastic description in writing. Well Done Nathan!

Parent pay

Please can you ensure that any outstanding dinner money is settled before we return to school next term.

Build a Lego Robot

As we all know, Tuesday was lego day and we, the children had a spectacular time.

We got the chance to become coders and make a program for a lego robot. One of the things we did, was create instructions on tablets and build machines that were able to be given orders via Bluetooth.

For instance, one group made their lego robot do a wave of colours!

We all loved it and we are looking forward to the next time we get to do this.

We have put some pictures on the school website under the gallery tab. Please do have a look.
