Oak Class Newsletter

A very warm welcome back to Oak Class, it is lovely to see some new faces joining us. We have been busy over the Summer break updating both the indoor and outdoor environment and this is very much a work in progress.

The pond area has been secured and a lawn sofa been created for leisurely viewing of the pond skaters, please do come and have a look. We are in the process of building a woodworking area in our playground, this will be secure and limited in numbers, and we are excited about the opportunities this will allow. Inside the carpet has been replaced so we can move in and out more freely without worrying about muddy footprints. We have also made a transition towards more natural, open ended resources to develop communication and imagination skills. Again, please feel free to come and have a nose the door is always open.

On a morning if the children could come in through our playground and use the side door straight into the classroom. The gate will be open from 08.30 and the door from 08.45.

Collection at the end of the day is in our playground at 15.30, should you be required to collect your child at a different time then please just let me know. Morning sessions finish at 12.00 and we ask those staying for lunch to be

Belong, Believe, Become collected at 12.30 to prepare for the afternoon. Due to safety reasons, collection will be from the main entrance.

We are making a move towards spending more time in the outside environment and cannot stress the importance of appropriate clothing. We have some spare jumpers, waterproofs and wellies but currently cannot accommodate everyone (should anyone have any old wellies or waterproofs lurking at home we would gratefully receive them) A spare set of clothes is a must and can be left on the pegs in the cloakroom for emergencies. I have got my spare clothes ready this year!

Finally, please may all items of clothing be clearly labelled and no toys or valuables be brought to school unless requested. Thank you.
