### East Barnby

A few days ago year 5 and 6 went to East Barnby. It was amazing and we'll never forget it!

On the first day, we went beck scrambling and most of us faced our fear. At one point we did a river crossing and it was absolutely freezing! Josh came out with a missing wellie which the river decided to eat. At the end of the day we came out soaking wet.

When we got back to our dormitories, we settled in quite quickly. The canteen was really good - in fact on the second day Ben called it a five star restaurant!

On the second day we went canoeing and it was everyone's favourite, apart from mine which was beck scrambling. We travelled 2.5 miles down the River Esk, finishing at Whitby Harbour where we did a tour which added an extra mile. At the end of the day we went on an artificial ski slope.

On the last day we went rock climbing and the walls were super cool. There was one wall which everyone wanted to go on because it was like a mini-mountain. For me that was the best climbing wall ever.

### Compass Buzz Training

All our staff attended The Compass School Mental Health and Wellbeing Project Training this week.

The project offers training and consultation to professionals, in particular schools to enable them to take a whole school approach to supporting the mental health of students.

The staff found the training very informative. If you ever have any concerns we operate an "open door policy".

### School Dinners

Please can you ensure that if you are in arrears for your child's school dinner's that this is settled immediately via Parentpay. New menus for summer term have been sent home.

### Cash-less office

From the 1<sup>st</sup> April we will be operating a cashless office. All payments will need to be paid via Parentpay. If you have not activated your account then you should have received a letter explaining how to activate your account. If you are having any issues then Mrs Mathewson will be happy to assist.
