

WELCOME

Snainton is within the North Yorkshire Coast Opportunity Area which is designated by the Department for Education. This provides us with a chance to access additional funding/training to improve outcomes for children in our school. In March this year, there will be a 'Maths Month' across the Opportunity Area. There will be a range of events to access across the region and in school. We will publicise events on the newsletter, and on twitter, so please look out for ways to become involved.

Mr Davies

Belong Believe Become
