

WELCOME

It is hard to believe that another half term has gone by and that we are half way through the academic year.

There is some exciting work being done during half term to develop the outdoors area in our Early Years. This work is only possible because school successfully applied for £5,000 from the North Yorkshire Coast Opportunity Area. I'm really looking forward to seeing this project come to fruition.

As always, take this time over half term to enjoy quality time with your loved ones. Even the weather is looking like it will be reliable! We look forward to welcoming the children back to school on Monday 4th March.
