Wednesday 8<sup>th</sup> September, 2021

Dear parents and carers,

This year we are inviting all children to consider being a member of our school council. In the past, the school council have supported me to prioritise improvements to the school environment. This included the design a bin competition (which are now near the entrance gates) and the selection of new playground equipment for use at break and lunch times. School Council are given a small budget to manage to help support the implementation of their ideas.

It is very important that your children help to shape school improvements.

There is a short application form for your child to complete if they would like to apply to be on the school council. This can be completed in writing or using drawings and colours – the important thing is for them to share their ideas.

Applications will need to be returned to school by the end of the day on Wednesday 15<sup>th</sup> September. Each child will then have an opportunity to have a short discussion with me to discuss the role of the school council on Thursday 16<sup>th</sup> September. The new school council will then be announced on Friday 17<sup>th</sup> September and their badges awarded to each member.

Please offer your support to your child if they would like to be considered for the school council.

Yours sincerely,

Matthew Davies  
Headteacher
