It's been a busy start to the new term and we look forwards with continued excitement for the plans ahead. The children have been welcoming and friendly towards each other and have quickly settled into school routines.

This week Silver Birch Class studied first aid as we welcomed Mini Medics into school. All the children enjoyed learning these skills and understand how important they might be in the future. I was overjoyed to hear a glowing report from the Mini Medics team, who said your children "were an absolute delight all morning." Well done Silver Birch Class – this a wonderful impression to leave with our visitors.
