Oak Class

We are learning about weather this term. This week we have been looking at rainbows and what makes a rainbow. We have had lots of fun exploring rainbow colours, doing our own colour mixing with paints and sponges. We have also made our own rainbows to decorate the classroom and made buns with rainbow sprinkle for decoration.

Maple Class

We have been busy in Maple Class this week. For our science topic, we are learning about seasonal changes. We had a lovely walk around our neighbourhood to look for signs of spring. We learnt about deciduous and evergreen trees and investigated why some leaves stay green in winter. Throughout this term we will be looking out for and documenting changes in Spring. If you'd like to help us with our learning, please choose a small area in your garden and watch how plants come to life in Spring.

Silver Birch Class

Mrs Bond is impressed with how the children have settled back into routines after the half term break. We are continuing our topic of Crime and Punishment - we will be looking at the poem The Highwayman, Robin Hood and the impact of the Magna Carta. In art we have started our project on William Morris, this week we have been doing some observational drawings ready to create prints. We can't wait to share things with you via dojo.

Young Leaders Award

As part of the Young Leaders Award, Silver Birch have been planning a charity project. In light of the current events they would like to raise money to support Ukraine. They have decided to hold a non-uniform day to raise money initially and then use this money to buy ingredients for a bake sale to raise further funds.

We thought it would be nice to wear blue and yellow if possible, the non-uniform day will be Tuesday 15th March. In return for wearing non-uniform, they ask for a donation to go towards supporting those in Ukraine. (This will be sent via Red Cross)

Federation

Governors would like to thank those that attended the parent consultation meetings at the 3 schools. We would appreciate it if you could take time to study the consultation documents which came out and complete your feedback form before the 31st March 2022.

Cash for Kids

We are working with Cash for Kids on their Wear, Share, Care campaign. We have arranged a recycling collection for Tuesday 15th March. Please bring in clean, wearable clothing, paired shoes, handbags and belts. For every tonne donated through their campaign, Cash for Kids receives £400 to help disadvantaged children and also saves the items from going to landfill.

Star of the week

Maple Class - Ellie R for working hard and being independent in her work.

Silver Birch Class – Zayn T for showing a positive attitude towards learning in class
