Friday 20<sup>th</sup> May 2022

### Oak Class

In Oak Class, we have continued to look at our topic on space. We have been making lovely, sparkly stars for our wall. We have played with black play dough which we made look like the night sky with silver glitter. We baked space buns to take home. We had lots of fun shining torches in Mrs Clark and Mrs Baltatu's cupboard, experimenting with light and dark and shadows. We didn't find any monsters in the cupboard.

### Maple Class

First of all, we need to say a big "Well Done" to our children who have been doing SATS this week. They have shown an amazing attitude and perseverance.

So this week, we don't just have one star of the week but 5! Sophie, Laylah, Amabel, Daisy and Amelia.

We have also been looking at the work of the artist Peter Thorp. The children created some amazing art work combining oil pastels and paint to create a piece of space themed art work.

### Silver Birch Class

Our year 6 children had a busy week and showed amazing perseverance during SATS. We think they are fabulous.

In class we have been looking at the art work of Mondrian and created our own primary colour representations. We have started to create some art work and fact files for the time capsule and look forward to continuing with this.

### Dates for the diary

- 20<sup>th</sup> May – Forest School**
- 23<sup>rd</sup> May – Silver Birch Class Swimming/Maple Class PE with Hawkes**

## Snainton Village Bowling Green

Robin Myers from Snainton Bowls Club, very kindly invited a few groups of children down to have a go at bowls during Forest School, they all really enjoyed it and Mr Myers called in to school to report on their excellent behaviour.

Currently, any new adults can play for free for 3 sessions, membership following this will be half price. Children can play for free.

Please contact Edrene Rumley for more information 07980 951018

## Community Food Share Project

Our Food share project is growing every week and we have been really lucky to have received lots of donations. We are keen to keep this growing and are trying to get hold of an outdoor lockable storage cupboard so that items are more accessible for our community. If you know of any businesses who may be able to help, please do let us know.

## Thank you

We would like to say a big thank you to one of our parents, Rosie Barrett for putting us in touch with Scarborough Museums Trust and Yorkshire Fossil Festival, who are providing trips out and visits into school free of charge for our children. Rosie is also bringing an artist into school to inspire the children to create art work for display at Nunnington Hall.

## Star of the week

Maple Class – Sophie J, Laylah J, Amabel B, Daisy H and Amelia J for amazing attitude and perseverance.

Silver Birch Class – Nazar Y for getting involved in all aspects of school life with a smile.
