Friday 6th May 2022

Oak Class

Oak Class have been reading the book "What makes a Million". We have been learning it is a very big number. We have enjoyed making lovely pictures of Pingu from the story to put on our wall making lots of stars on them. We also enjoyed making twinkly star biscuits to take home.

Maple Class

This week we have been finding out about the first moon landing and thinking about what it must have been like for the astronauts to walk on the moon without gravity.

Silver Birch Class

Silver Birch have had a busy two weeks and have settled back in well. We are currently studying Earth and Space as our topic, last week we pretended to be the Earth, Sun and Moon and acted out how it orbits around the Sun. In English we have been looking at the role of women in NACA/NASA through the book Hidden Figures – we tested our skills writing a job advert and had some brilliant responses.

Dates for the diary

6th May – Forest School
9-12th May – Year 6 SATS
9th May – PE with Hawkes for KS1

Sun Cream

Please can you apply sunscreen to your child before school, if you think they will need topping up during the day, please send their cream in their bag for them to apply themselves. Staff cannot apply sun cream to children. Please also be aware that Nivea kid's sunscreen contains almond oil and can affect those with tree nut allergies.

Community Food Share Project/School Uniform Swap

We have had lots of interest in our food exchange since setting up which is lovely to see. We are starting to put together meal kits with recipe cards and ingredients so will be putting these out next week. Mrs Roberts and Mrs Bond have been busy sorting boxes for the uniform exchange, this will be ready for next week. If you have any uniform at home that is no longer needed, please do bring it in for the exchange.

SATS

Next week is SATs week for our lovely Year 6 children. We want to remind them that they are all awesome and we are proud of them every day.

Star of the week

Maple Class – Amelia J for working very hard and trying her best.

Silver Birch Class – Oliver O for trying hard with his work and being welcoming to our new starters.
