Oak Class

We have had a brilliant week learning about farm animals and farm life. The book we are reading is called "Pigeon Pie" and we baked cherry pie like in the story, it was delicious and the children loved it. We have been practising our letters and numbers and we are very proud of ourselves.

Maple Class

This week we have been researching facts about polar bears for our non-chronological report. We found out that polar bears have black skin and their fur isn't white at all but transparent. How amazing.

Silver Birch Class

Here we go into the final term of this school year and what a busy one we have planned! Silver Birch have settled straight back in and it is like we have never been away. We are on an "Expedition to South America" which so far has seen us exploring the different countries that make up the continent. We are writing travel brochures and will vote to see which country we would most like to visit.

Transport is arranged for all the children.

Community Food Share Project

Our outdoor storage cupboard is now in place and shelving now fitted, thanks to Blue Star Welding and to Mr Goodrick for their generosity. We have started to fill the new shelves for our community.

Star of the week

Oak Class – Teddy S for being a maths whizz and for his brilliant perseverance.

Maple Class – Sophie J for being confident and focused at all times and contributing to class discussions with good reasoning and explanation.

Silver Birch Class – Oskar B for being so welcoming towards our new children and looking after them.
