Oak Class

Oak Class have enjoyed learning about woodland environments and the animals that live there. We have read the owl babies story and created our own woodland environment all working together to think about and choose the materials.

Maple Class

This week in Maple Class, we have been exploring colours at the Arctic and Antarctica. Children experimented with mixing white and blue paint to create different shades. They all did a great job with creating a cold, icy landscape for their dancing penguin. Please have a look at their amazing work on the display board.

Silver Birch Class

This term is flying by! Silver Birch had a brilliant time at Beverley Minster, we got to explore the history behind the church but more importantly, we all got to play the organ – it is far more complicated than a piano! We have started looking at the Mayan Civilisation in History and English through the lovely book Rain Player. There was lots of excitement about playing the traditional game Pok-A-Tok, until we found out that you cannot use your hands or feet to move the ball around! We have a busy few weeks ahead of us so look forward to updating you.

Community Food Share

Our food share project is going really well thanks to the addition of our storage cupboard. We are very grateful to Snainton WI, St Stephen's Church and Moneyweb who have all donated lots of food and toiletries for our community.

Free Swim Safe Sessions

There are Free Swim Safe Sessions taking place on North Bay this summer from Monday 8th August to Friday 12th August.

You can sign up on this link
