Oak Class

We are back and we are all so excited in Oak Class. We are settling in quite well, starting to play together, making new friends or playing with our old ones. Welcome (back) to all our children in Oak Class! Let's have a great year!

Star of the fortnight is Layla A for being kind.

Maple Class

Children in Maple Class had a great start to the school year. Everyone is well settled and have made new friends. The children enjoyed our Nurture activities which enable them to find out about each other. They all got used to our routines and learned about our expectations. When our children are happy, they are ready to learn.

Star of the fortnight is Ellie R for starting school with an excellent attitude and leading by example in her behaviour and learning.

Silver Birch Class

Silver Birch have had a positive start to the new term, it has been lovely to see them working together over the last two weeks. We have explored what it is to be a Child of Books including redesigning front covers and thinking about our favourite books. We have settled into routines and are looking forward to our work on Biomes. We started the topic this week by reading The Great Kapok Tree and thinking about what it would be like if animals spoke to us. We cannot wait to share our learning with you.

Star of the fortnight is George C for perseverance in class.
