### Oak Class

It is so good to be back after half term. Oak Class have enjoyed learning about our body, we have been reading books and singing songs and we played a lot because that is how we learn. We've been learning about perseverance and never giving up.

*Star of the fortnight is Ines S for growing in confidence.*

### Maple Class

Maple Class have been very busy this week. We have been learning about similes and written some poems about fireworks. Year 2s have been learning about instructions so they followed instructions to make puppets, then acted out The Gunpowder Plot. Reception children learnt to name body parts and are now experts at singing "Heads, shoulders, knees and toes" Year 2s need a special mention about doing their work on subtraction. Well done to everyone!

*Star of the fortnight is Ben B for having a positive attitude towards his learning and especially enjoying Phase 5 Phonics.*

### Silver Birch Class

Silver Birch have hit the floor running this term. We are loving daily mile and we can see the improvement in our stamina already. Thank you to a kind parent who has lent us some large anatomical wall hangings that are supporting our science topic of skeletons and circulatory system.

*Star of the fortnight is Sophie J for giving her all in every area of learning.*

## Community Cafe
