Friday 24th March 2023

Oak Class

Oak Class have continued learning about animals and this week we have looked at under the sea creatures. We have been looking at the numbers 7 and 8 and have been reading and story telling "Snow White and the Seven Dwarfs" and "Commotion in the Ocean" and have found an octopus has eight tentacles.

Star of the fortnight is Bella S for trying very hard now to help tidy up.

Maple Class

It's been a very busy half term so far. It has been lovely to see the children making progress. I'm especially proud of the year 2s for cracking fractions. Reception children are making good progress in their phonics and I love their new found confidence in their reading. Year 1s have become more and more independent in their writing and they are applying their phonics when it comes to spelling. A big well done to everyone.

Star of the fortnight is Robbie C for taking his time and producing high quality work.

Silver Birch Class

We cannot believe that the end of term is so close, it has been a busy one. Silver Birch have enjoyed our Viking topic and have had some good debate over whether they were raiders, settlers or both. We have drawn plans for our Viking longhouses and next week see us spending time making accurate measurements so that we can construct our models.

Star of the fortnight is Clifford A for resilience in overcoming problems.
