Full time

Established contract

Main Pay Scale

To start September 2025

Due to the promotion of the current post holder to their first Headship, we have a vacancy for a class teacher for our mixed Key Stage 2 class. Leaders care passionately about the health and well-being of all children and staff. Staff are encouraged to share their professional learning with each other and embrace the expertise each has to offer. Our village school embraces local, regional and global challenges to consider how we can make a positive difference in our community.

Our children grow in confidence throughout the school to 'be the change they want to see in the world'. As a village school community, we believe that we are at an exciting part of our journey and we look forward with optimism to welcoming a new teacher to the staff team. You will work with a team who are committed to providing excellent learning opportunities for all children to grow, learn and develop.

Do you want to work in a vibrant setting with children who are proud of their school?

Do you want to work in a setting where adults and children have respectful relationships with one another?

Do you want to work with colleagues and with leaders who support, and promote, your creative thinking?

If so, then we would love to hear from you.
